IT'S TIME...

There's no better way to top your Euro trip than cruising the crystal blue Adriatic along the amazing Dalmatian coastline.

Taking in stunning sunsets, eating amazingly delicious local food and making some fun life long friends along the way.

It's time to get on-board with Koda Sail and experience the adventure that awaits you in the always beautiful Croatia.

#GETONBOARD

EXPLORE CHILL PARTY

Some things are just more fun when you've got company.

Look, it's not rocket science, we know that young travellers want to hang with people their own age.

For this reason alone, Koda Sail is specifically aimed at and designed for young professional travellers aged in their 20's and 30's.

Whether you want to get out and EXPLORE what Croatia has to offer, CHILL with a sunset cocktail or PARTY the night away, there's always a great mix of people on board to share the memories with.

A DAY IN THE LIFE OF...

So what does a typical day on the seas with Koda Sail look like?

Awake to a fresh sea breeze as the boat sets sail for the day at sea. Enjoy your breakfast served on the upper deck, where you can share stories and laughs from the night before.

Freshen up at our first swim stop for the day with a jump from the boat's main deck into the crystal blue Adriatic.

Laze about in the water as you smell your delicious lunch being prepared by our very own local chef on board.

Lunch is served as we sail again, getting closer to our destination for the evening. Relax after lunch on our sun deck and take in the picturesque 360 degree views of the surrounding islands and Dalmatian coastline.

Another swim stop as we anchor outside the port and get a glimpse of what is awaiting us on land.

Vibrant city squares bustling with festivities, food markets offering the best local specialties, old city forts with amazing views to explore and

colourful cocktail bars to watch another breathtaking sunset.

Your energetic Koda Sail rep will prepare you with an orientation tour of the city to get you familiar with what's on offer, along with where to get the best gelato or a late night local snack.

Dinner is either prepared on-board for you, or some nights you will have the chance to meet the locals and eat with your Koda Sail team in the old town.

The night is then yours. You can stay out and explore or get back to the boat and prepare for the night ahead.

Enjoy cocktails from our on-board bar before heading out to experience Croatia's vibrant nightlife in some of Europe's top party hot spots.

If you liked the sound of that, we can do it all again tomorrow!

**SWIM. EAT. CHILL. REPEAT
COULD IT GET ANY BETTER?**

A scenic view of the Croatian coast with a dark blue banner containing text. The background shows a vast, deep blue sea under a clear sky. In the foreground, a rocky outcrop has a metal staircase leading down to the water. A man is sitting on the rocks, and a woman is standing on the stairs. Another person is swimming in the water in the distance.

HOW DO WE SHAPE UP?

We know you have options and we know you've done your research. So before you make your final choice, here's some things you need to consider. For some of these things you're probs thinking '...So What?', so we've answered exactly that just for you!

We use a selection of exclusive A+ category boats...So What?

• A+ (don't forget the PLUS!) means you get to be on board a boat with a bit more luxury.

Each cabin is specially fitted out with it's own private en-suite, so there's no sharing between 8 cabins like the lesser class boats.

All our cabins have Air Condition INCLUDED in the price...So What?

• When comparing you need to know that some of the lesser class boats charge a fee for this luxury once you are there, in addition to the cost of your tour.

Sometimes this is an unexpected cost that you haven't prepared for. With Koda Sail there's no hidden cost here.

Towels for everyone...So What?

• Save that luggage space because there's no need to pack that stinky travel towel for your week with us on Koda Sail.

Each passenger gets fresh bath towels provided along with a Beach towel to use on the sun deck.

Our Special Captain's Dinner is INCLUDED for you...So What?

• We want everyone to experience the special Captain's Dinner on board, so we've made sure this is included. No extra cost for this one, it's on us!

Your very own Koda Sail Rep is on board with you...So What?

• Your very own Rep is there on-board, just for your group. No sharing them with any other groups sailing alongside you. They sleep on board and are there to help whenever you need.

Our local personal chef is on board as part of the Koda Sail team...So What?

• Every meal is freshly cooked and prepared on board by our local Croatian chef. Authenticity & quality is what it's all about as they cater 15 meals throughout the week including our special Captain's dinner. Having our very own personal chef also means we can cater to special dietary requirements.

All this plus much more!

MEET THE KODA CREW

Who are the Koda Crew?

Simply put, our crew are the bestest, friendliest, coolest, funnest, knowledgeable humans around!

What does your Koda Sail rep actually do?

We know our travellers like to explore, but sometimes you just want to cheat and get the heads up from someone that knows it all. Someone that has been there and done that. A local.

That someone is your very own Koda Sail Rep, on board with you all week.

Pick their brain. Ask life's toughest questions. Food recommendations. Get fashion advice. Acquire new amazing dance moves. Learn terrible jokes. Whatever you ask, our Reps will do their best to give you a smart intelligent answer...or at least a very entertaining one!

What's best about your Rep is that they're included in the price. You get a knowledgeable friend on board with you the whole trip. They're there for you, making sure you get the best out of your trip and have an amazing time.
